

## CAFE @ PARK LANE

2011

Across the range of buffets, there is a menu to suit any particular event and budget. Whether a training-session, a high-profile corporate event, a birthday-party or a marquee celebration, you can be sure of finding a suitable menu.

We can provide everything you will need for the event: china plates, stainless-steel cutlery, good quality paper napkins, bean-to-cup coffee machine, selection of tea, glasses for fruit-juice or wine, etc. White linen table-cloths are available at an extra cost, and waiting staff are available too.

Take a little time to look through the menus and once you have found the most suitable, decide on your choice or ask us to design a menu specifically for your requirements.

Having made your choice it is then simply a matter of establishing the numbers, if drinks are required and whether you need table-linen.

Then contact us via email to place your order or enquiry [Pamela.Mundy@tcat.ac.uk](mailto:Pamela.Mundy@tcat.ac.uk)

There is a Delivered Buffet Service within Telford which carries a delivery charge

We hope our menus will provide inspiration for your meetings and events and we look forward to welcoming you as a client.

## TO PLACE YOUR ORDER

### 1. Ordering for Buffets at Park Lane Centre

When placing your order please give as much information as possible - Timings, Dietary requirements, Invoice details, Order number,

The prices shown refer to our menus as they appear; menus may be altered to add or exclude whatever items the client chooses, which may alter the price. Similarly, there may be particular favourites which do not appear in any of our menus: we are always open to fresh ideas and our menus are designed to suit our clients.

All prices shown are per-person and include all plates, cutlery and paper-napkins. When fruit-juice and mineral-water are ordered, the glasses are supplied without charge. Other beverage items are available.

### 2. Ordering for external event

When placing your order please allow at least fifteen minutes, half-an-hour, if possible, between the time you give us for delivery and the time you know that lunch will be taken. This will avoid any last-minute rush.

If your company is spread over a large area, or several sites, it is important you give us *precisely* where the buffet is to be delivered. If the invoice has to go to a different address, it is important we have that, too, together with an order number please.

When your buffet is delivered, a container will be left with you. Once your buffet is over, please put the dirty dishes and cutlery, etc. into this to await collection. We try to ensure dishes are collected the same day, however this is not always possible.
